

MTO CHECK

Procedure in GeoTab

1

To begin, locate the “Roadside Check” tab on the home screen and select it.

2

Would you like to enter a 4-digit PIN? If you enter a PIN, you must enter the same PIN to exit Roadside Check mode.

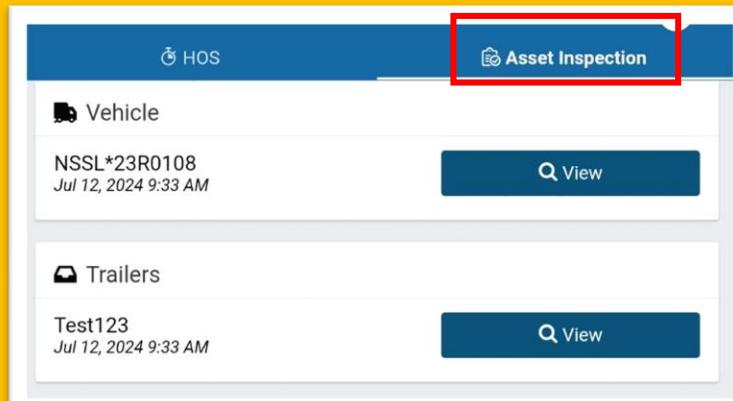

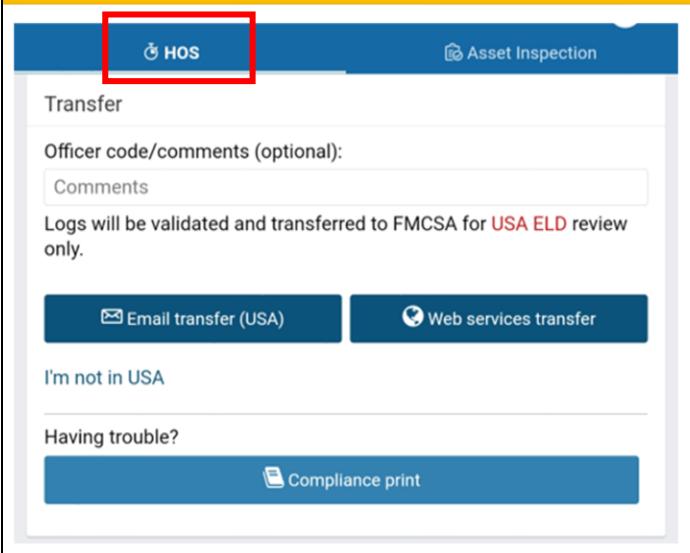

Cancel

No PIN

The app will open a pop-up for setting a PIN, Select “NO PIN” to go to next screen.

3

Now you will have two options from HOS(hours of service) and Asset Inspections. Select the one that is being asked to be verified by the MTO Officer.
